Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 21 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Staying dry with sunny spells on Wednesday.

This Evening and Tonight:
Largely clear skies through the evening, leaving lengthy clear spells for many overnight. Staying dry throughout and some fog patches may form under the clearest skies, most likely in the south and east. Minimum temperature 8 deg C (46 deg F).

Wednesday:
A fine and dry start with sunny spells, once any fog lifts. Sunny spells continuing through the afternoon and into the evening but with more cloud possible. Turning breezy overnight. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Cloudier on Thursday, with patchy light rain possible. Mostly dry with some sunny spells on Friday. Dry for most on Saturday with some brightness but an isolated shower is possible.
